Home Learning Grid – Week beginning 26.10.20

Please prioritise the lessons in green as these will consolidate class work.

Please remember you do not need to print any of the resources, you can just write down answers or copy and complete on paper.

Maths	Numeracy	Writing	Spelling	Reading
Coordinates Please choose **one** of the coordinate worksheets. You will find these in the maths area. Remember to choose a list that is manageable but will also challenge you. Videos have been provided to remind you what to do for each worksheet. You will also find these in the maths area.	**Place Value** Please choose a booklet to work through from 3-digit to 6-digit. These can be found in the numeracy area. **Top marks Place Value Games** http://www.math-play.com/Place-Value-Millionaire/place-value-millionaire-game_html5.html	**Posters** Please choose a subject to research. This could be anything from a hobby to a favourite movie. Using your reading for information skills plan and create an information poster about your subject. You will find examples and success criteria in the Writing area.	**For everyone** **Fry Words** Please choose 6 words from one of the Fry lists and learn your words by choosing from an active spelling activity. Remember to choose a list that is manageable but will also challenge you. You will find these in the **Spelling** area.	**Task 1** **Tamara** Watch the short story and answer the questions. Please find the link and questions in the Reading Area. **Task 2** Please read the Roald Dahl comprehension and answer the questions in full sentences. An example of how to answer in full sentences can be found in the Reading area. There are two levels to choose from, level 1 or 2.
ICT	**French**	**PE/HWB**	**Expressive Arts**	**Science**
Dance Mat Brush up on your typing skills using Dance Mat. https://www.bbc.co.uk/bitesize/topics/zf2f9j6/aticles/z3c6tfrr **Internet Safety** Create a PowerPoint all about internet safety. Your target audience is children of your age. If you don't have access to PowerPoint, you could design a leaflet or poster.	**Numbers** Copy and complete the French number worksheet. You can find this in the French area. https://www.youtube.com/watch?v=CEx2fPn-_UE	**PE** Test your fitness using Joe Wick's 8 minute workout cards! Perhaps members of your family could get involved too! **Relaxation** Relaxation is particularly important so find an activity that you find relaxing.....and do it! We have put a link for some yoga and mindfulness meditation. https://www.google.com/search?q=mindfulness+meditation+for+kids&rlz=1C1GCEV_enGB914GB914&oq=mindfulness+meditation+for+kids&aqs=chrome.0.0j69i57j69i61.9260j0j15&sourceid=chrome&ie=UTF-8&safe=active&ssui=on	**Art** **Recreating famous art work** In the **Art and Design** folder, you will find pictures of famous pieces of art work. Your challenge is to try to recreate them using people and objects in your home! There are some examples to inspire you in Expressive Arts!	Please choose from one of the activities below. Please remember to ask parents first if you are using anything round the house. **Egg Science** Instructions on worksheet **Cloud in a Jar** Instructions on worksheet **Nature Hunt** Look at the worksheet and anything you find on your scavenger hunt you could research and display anyway you like. You will find everything you need in the **Science** area.
