Dear Parent/Carer

Harvest Baskets

At Paradykes Primary we strive to promote "being a good citizen". During Lockdown we were very aware of members of our community who couldn't get out and about or struggled due to the impact of Covid on their family situations.

We tried to link up with some of them and we would like to continue to develop positive relationships with members of our community.

Towards this end and only if possible, could children bring in an item for our Harvest Baskets? Listed below are some suggestions:

Tins of fruit, custard, pasta, spam
Packets of dried food (rice and pasta), soups
Flour, sugar
Toiletries; shower gel, shampoo, soap

** Please be careful with expiry dates/use by dates

These baskets will be given to members of our community during the week beginning of 2nd of October.

Please email the school if you could recommend to us any family/person in our community who would appreciate a small Harvest Basket that would include 4-5 items above.

Many thanks for helping our children to further develop good citizenship skills.

Kind regards

G Reid
Headteacher
