

Aim high

Celebrate success

Be proud

P3 are looking forward to a busy term in the lead up to Christmas.

Literacy

Reading: This term we will continue our focus on fluency and expression when reading aloud.

We will also be working on identifying the main idea in a text and sequencing, using skimming and scanning strategies.

Writing: We will be reinforcing the importance of punctuation in our writing but also looking at how to use descriptive language to make work more interesting. This will be done through our Talk for Writing programme with an additional focus on character and setting. We will follow this up with some work on poetry.

Numeracy and Maths

We continue to work on all areas of numeracy - place value, addition and subtraction and multiplication and division.

In maths we are working on measure, as well as continuing with shape and time. We would like to invite you to join in with our learning on Wednesday 14th November 2018 from 9am-10am in the classroom.

Learning in other areas of the curriculum

Science: We will be beginning to look at living things, sorting between living and non-living. P3 will also undertake a short study of electricity. This will include learning about different sources of electricity and how it is used in the home. We will also look at how electrical circuits work and create simple circuits of our own.

RME: In RME we will focus on Christianity. The children will read bible stories and discuss the Christian values that they teach. We will look at the Christmas story in the lead up to our Christmas celebrations. We will also begin to look at Islam.

Health & Wellbeing

This term we will learn road safety. We will continue to work through our Bounce back programme which promotes well being and resilience.

We also continue to have PE on a Monday with our PE specialist, Mrs Tait and Art on Wednesday with our specialist, Miss.

Other Information

P3 will be attending a pantomime at the Lyceum Theatre in Edinburgh on Thursday 29th November.

Our annual Christmas Performance will take place during the week beginning.

The P3 Christmas Party will take place in the final week of term, week beginning. There will be more information to follow.

Thank you for your continuing support. If you have any questions or concerns, don't hesitate to get in touch.
