

Week 2 Learning

This is what we would like you to try to do this week. Where we have given you more than one level of challenge, we would like you to choose the task at the level that best suits you as a learner - not too easy, not too tricky but something that will make you think! If you want to do more, that is up to you 😊

Assignment task	Choice of challenge available?	Answers Available?	Completed and handed in
Daily Reading	--	--	
Spelling	Within the task.	--	
Writing task - poster	--	--	
Editing and Handwriting task	Five levels of challenge available.	Yes, one for each level.	
Reading Workshop	--	Yes.	
Problem Solving task	Three levels of challenge available, plus a hints and tips task.	Yes, all on one sheet.	
Numeracy and Maths	Yes! Lots! There are three for first level, three for second level and one extension task (over 6 pages) for any of you that are working at third level.	Yes, one answer page for each sheet for first and second and one sheet with all the answers for the extension task.	
HWB, Geography and Art Task	Within the task.
