

Numeracy tasks week beginning 20/04/2020

These are the numeracy/maths tasks set for P6 for this week. There are four different tasks to choose from, you can do them in any order. You can submit your completed work through Microsoft teams. As well as your numeracy task you have access to Xtra maths and Sumdog to practice your mental maths daily.

Task 1	Task 2	Task 3	Task 4
<p>Worded problem</p> <p><u>Maisie's Crumbs</u></p> <p>Can you solve the worded problem? What steps will you take to solve the problem? Remember to read the information carefully.</p> <p>Can you create your own worded problem? You can even challenge someone in your home to solve the problem.</p>	<p>Worded problem</p> <p><u>Mini beast foot ball tournament</u></p> <p>Can you solve the worded problem? What steps will you take to solve the problem? Remember to read the information carefully.</p>	<p><u>Big numbers</u></p> <p>Practice reading out numbers up to millions and beyond - don't be caught out like the politicians!</p>	<p>Maths - Money</p> <p><u>Sandwich maker</u></p> <p>Think about your favourite sandwich and all of the ingredients you would need to make it.</p> <p>Use an online supermarket e.g.</p> <p>Asda Tesco Sainsbury's</p> <p>and work out what you would need to put in your basket to ensure you had all the ingredients for your sandwich (make sure you don't checkout!).</p> <p>How much would your shopping cost? How many sandwiches could you make with your ingredients? What would be the average cost of one sandwich? Remember to show your workings.</p>
