Wider curriculum grid - weeks beginning 20/04/2020 & 27/04/2020

This grid covers a 2 week period and contains wider curriculum activities.

HWB			Social Studies
Task 1	Task 2 & Task 3		Task 1
You may have seen many people are taking part in a walk/run 5k challenge in support of the NHS. Can you complete this challenge? (there is absolutely no obligation to donate money). Use an online map to chart your route to make sure you are walking/running the correct distance. Remember you can complete a Joe Wicks live PE workout any day Monday to Friday at 9am on YouTube.	 This term we will be learning to understand the importance of cleanliness, hygiene and safety especially when preparing and storing food. Can you investigate factors that can increase the risk of food poisoning e.g. cross-contamination, poor hygiene, unsafe storage, expiry dates being ignored etc? What happens to you if you get food poisoning? What are the names of some of the microorganisms associated with food poisoning? Investigate how germs spread and their effects - think about where you may find more germs in a home. Where are the 'hot spot' areas? Use the internet to research and collect facts you can share on a poster or in a fact file that shows us how to prevent food poisoning. 		Get to know more about world geography by testing yourself on your capital cities and flag knowledge. These quizzes get increasingly tricky so you'll always find something new! https://www.triviaplaza.com/geographyworld-quizzes/ https://www.triviaplaza.com/geography-geography-geography-geography-flags-quizzes/
Exp Arts - Artist study			
Task 1	Task 2	Task 3	Task 4
Begin by researching famous artists and pick one whose art you enjoy. What do you like about their style? What information can you find out about the artist? What is their inspiration for their art? Does their art have a theme e.g. subject, colours, technique?	Choose a format to present the information you have found out about your artist of choice e.g. poster, fact file, powerpoint, song, drama.	Can you create a piece of art in their style? This can be physically or digitally. How closely can you follow their style?	If you were a famous artist, what would your inspiration be, your style or theme? Can you create a piece of art, physically or digitally, in your own style?
