

Hello everyone,

We'd love you to take the time to fill this in so we know how you are getting on with the learning and how you are doing in general. We miss seeing you and chatting to you during the day and the checking in we do when you're feeling good and feeling worried. It's also not always easy to tell how you are doing with the learning when we can't talk to you face to face.

Remember this is just your page and only the teachers will see what you have written here and we can reply to you using it too.

♥ How are you? On a scale of 0-5 how are you feeling just now? Can you tell us why?

♥ How are you finding the tasks we are setting? Are they too tricky, too easy or just right?

♥ Have you got any suggestions for things we can do another week?
