

P5 Home Learning

Act of Kindness

Consider new ways to help your family, your neighbours or your pets. Remember, an act of kindness is anything that makes someone smile.

Fill in what you have been up to using a pen and paper or by filling out what you've done IN the table available on the website, or on Teams.

REMEMBER - ACTS OF KINDNESS ARE BEST WHEN THEY ARE KEPT A SECRET. IF EVERYONE KNOWS YOU HAVE THIS TASK, IT WON'T MAKE THEM SMILE AS MUCH!

My Hobbies

Create a poster, piece of writing, PowerPoint or video yourself talking about your hobbies.

- What are they?
- Why do you like them?
- How long have you been doing them?
- Is it easy for others to get into? How do they do it?
- Do you have any tips?
- Can you show anyone how to do your hobby?

Puffins

Watch:

<https://youtu.be/49fcX9MDGLs>

Can you draw puffins like the person on the video? Perhaps you can add colour!

I wonder if you can memorise any of the facts in the video.

Science MAX

If you have enough equipment (or you can get the equipment) try your hand at building a little catapult just like the one Phil made.

See how far you can propel something across the room. Perhaps you can upload a video of your construction!

Search for 'Science Max Elastic power' on YouTube or:
<https://youtu.be/ezdhyH3menw>

French

Practise saying your family members in French. Visit:

<https://www.youtube.com/watch?v=kly3tenYkCA> to practise. When you feel confident complete the match up task. After get someone to test you by saying the English and you respond with the French.

Magic Tricks

Can you impress someone by learning a magic trick? It could be a card trick or making something float. Watch this video to get some ideas:

https://www.youtube.com/watch?v=nl_Mr_4JZwk

Healthy Eating

Collect some food packaging and investigate the sugar content in the foods in your household.

Complete the sugar investigation table. Which has the most sugar and the least? Were you surprised?

Dancing

Keep fit and take part in a dance class with strictly come dancing star Oti Mabuse. You can find her kids dance classes on her facebook, Instagram or youtube channel.

<https://www.youtube.com/user/mosetsanagape>

Try to complete the activities in the next 2 weeks. There will be a new grid on **Monday 18th May 2020**. There are also numeracy and literacy tasks on glow.

P5 Teachers would love to see some of your home learning. Tweet us @BurnbraeP5j @BurnbraeP5B
