

P4 Literacy and Numeracy Tasks – Week beginning 01.06.20

Writing/Grammar	Spelling	The Tooseys	Reading for Enjoyment
<p>Journey to the Jungle</p> <p>Read through the Jungle Log text (in PDF) or listen to the recording of it. https://soundcloud.com/talkforwriting/jungle/s-4Ye8khPyx1x</p> <p>Then, there are a few activities in the PDF to have a go at.</p> <ol style="list-style-type: none"> 1) Draw a picture to represent the words in the box. (page 4) 2) Find synonyms for the words in the table. (page 5&6) 3) Comprehension questions (page 7) 	<p>Choose your spelling words with the 'dge' rule.</p> <p>There are some suggested activities for you to practise your words in the PDF.</p>	<p>Our Not So Little Island</p> <p>This week you will discover that Ollie Brumble loves history and finding out interesting facts about different places in Great Britain.</p> <ol style="list-style-type: none"> 1) Read the information called "Toosey Tail No 5 – Our Not So Little Island". 2) Write and tell Ollie Brumble lots of information about the places you choose. Let him know the most interesting things about the places and their history. 	<p>Keep reading for enjoyment when you can! Here is the link for AR tests https://ukhosted26.renlearn.co.uk/2243939/default.aspx</p> <p>Activity: Imagine you are interviewing the main character in your book on Newsround. Write a few sentences to introduce them and then write down 3 to 5 interesting questions you would like to ask them in your interview.</p>
Multiply and divide by 10, 100	Revision Consolidation Sheet	First Level Calendar June	Times later
<p>Read through the Learning Slides which remind you how to multiply and divide by 10 and 100, using a Place Value Grid to help. Choose a mild or hot challenge.</p> <p>You could also explore Moving Digit Cards on this</p>	<p>Have a go at a First Level revision sheet. There is also a Second Level sheet for extra challenge.</p> <p>Questions have been highlighted in red where we would like you to show your strategies.</p>	<p>Have a go at the First Level Numeracy Calendar for June. You could try one question a day during this month. If a question is too tricky, try to break it down into smaller parts or adapt it (e.g, change the numbers in the sum)</p>	<p>Read through the Learning Slides about 'times later'. Then choose a Mild (10 minutes later) or Hot challenge (20 minutes later).</p> <p>Remember to be accurate when drawing the hour and minute hands on an analogue clock.</p>
