

## P4 Literacy and Numeracy Tasks – Week beginning 04.05.20

Grammar	Spelling	Writing	Reading for Enjoyment
<p>There are 3 Grammar activities linked to The Truth About Trolls. This will help you practise skills needed for the writing task next week. Work through them in order.</p> <p>1) Use interesting adjectives to write sentences describing the troll. (pages 8&amp;9)</p> <p>2) Start sentences with adverbs to add on extra information about the trolls. (page 10,11,12)</p> <p>3) Make sentences longer by dropping in extra information in the sentence. (page 13)</p>	<p>Choose your spelling words with 'er' pattern from the list in PDF file.</p> <p>There are some suggested activities for you to practise your words.</p>	<p>Some special friends, The Tooseys, have written to you this week to say hello, introduce themselves and help you with your learning. Read the information called "The Tooseys – Introduction" and "Toosey Tail No 1 – Meet the Tooseys". Choose your favourite Toosey and write a letter to tell them all about yourself. You could also draw a picture for your Toosey friend.</p> <p>Have fun meeting The Tooseys!</p>	<p>Keep reading for enjoyment when you can! Here is the link for AR tests  <a href="https://ukhosted26.renlearn.co.uk/2243939/default.aspx">https://ukhosted26.renlearn.co.uk/2243939/default.aspx</a></p> <p>Activity: Turn one of your favourite scenes in your book into a comic book strip. Remember to include speech bubbles when a character says something, or thought bubbles to show what they are thinking. Include pictures and sentences.</p>
Data Handling	Revision Consolidation Sheet	Number of the Day and Target Number	Pairs of Fractions that add to 1
<p>We are going to learn about Carroll Diagrams and Venn Diagrams. This might be brand new to you! Work through the examples on the PDF then have a go at the worksheets on the assignment.</p>	<p>Have a go at a First Level revision sheet. There is also a Second Level sheet for extra challenge.</p>	<p><b>Activity 1 – Number of the Week</b></p> <p>Choose your challenge and see if you can answer all the questions for this week's</p>	<p>Read through the Learning Slides and then choose a Mild or Hot challenge.</p>

	<p>Questions have been highlighted in red where we would like you to show your strategies.</p>	<p>number. Remember to show your working!</p> <p><b>Activity 2 – Target Number</b></p> <p>See how close to the target number you can get using the numbers provided. You can use all the number techniques you know e.g. adding, subtracting, multiplying, dividing, etc.</p>
