

Maths Basic Facts Game

Like you have done in the past, create a board game or outside game that will help you with your basic facts speed.

Many of you take game design very seriously and I have been so amazed at some of the games you made last year.

Most of you know what colour you are on for basic facts. If you need me to check for you, I will.

The basic facts levels are attached below.

I can't wait to see what you come up with!

Basic Facts Progression Overview

First 1– Black

Addition and subtraction to 5

Adding and subtracting zero

Doubles and halves to 10

First 2 – Yellow

Addition and subtraction to 10

Adding and subtracting one

Doubles and halves to 20

Make 10/100

Teen facts

First 3 – Red

Addition and subtraction to 20
