

## I can use nouns and identify them in a text

### Task 1

Nouns are usually things you can see or take a photo of. Look for nouns around your house or garden and **play I-Spy** with a member of your family.

### Task 2

**Be a noun hunter!** Choose a book to read and look for nouns on each page.

- ★ Visit the Oxford Owl website: <https://www.oxfordowl.co.uk/>
- ★ Click the box at the top of the page **my class login** (make sure it's this one!)

My class name: Burnbraep3

My class password: Burnbraep3

- ★ Then choose one of the books below to suit the level of difficulty you want. (Don't worry if it doesn't match exactly with your current RWI level – the purpose is to identify the nouns.)
