

P5 Weight and Height Graph Assignment

Use the attached blank graph or digital version on the Notebook File to record your family's height and weight.

If you would like to collaborate, you could call or message a classmate to ask their weight and height.

Mr Burton weighs
82kg and is 188cm
tall.

Name	Weight	Height
Mr Burton	82kg	188cm

This is a different graph to using bar charts. Plot your data on the graph using a + mark.
