

A Giants Game

Have a look at the above image, what do you see?

Answer the following questions in sentences:

1. What number did the dice land on?
2. Who is playing the game?
3. What game might they be playing?

4. What will happen now that the dice has stopped?
5. Is there anybody else nearby who has witnessed the game?
6. Where have the giants come from? Is this their home?

Time to get creative:

Can you draw a picture of the giants who are playing the game?

Sentence challenge:

Can you make a list of sounds (onomatopoeia) that the dice might make as it is thrown on the beach?

E.g. thump

Can you then start a sentence with a sound and try to contain at least two **adjectives** (describing words) to make your sentence interesting.

E.g. Thump! The **humungous** dice landed on the **sandy** beach.
