

## **Spelling**

Visit doorway speller to practise your spelling: <https://www.doorwayonline.org.uk/activities/speller/>

Press **enter** once on the page and then **next**. Choose **1200 common words**. Choose a level appropriate for you, you may need to have a look through to see what sort of words are in each level. The 1st hundred contain easier words progressing in difficulty in each level up to the 9th hundred. Study the word list you have selected. Then assess yourself by clicking **start**. Press **go** to look at the word, it will disappear after a few seconds. You then type the word you saw. You can have a **peek** if you need to or **listen again**. At the end you will get a score. Keep practising the words/levels you need to and then move onto the next level.

This activity can be done as often as you feel you need to practise.

To make it more challenge on the first screen you can change the delay time. This is how long the word appears for you to read. You can turn this off completely, meaning you have to listen to the word rather than read it.
