

# THE TOOSEYS

Like all good story books there has to be a start, then a middle and finally an ending but here in Tooseyland they are the exception for there are no endings, just lots of good stories and exciting adventures!

Would you like to join The Tooseys learning all about their adventures and sharing yours with them too?

Well first you should know a little about where they live.

It is a wonderful place called Tooseyland, a place of happiness, where the sun shines a lot, birds sing all day long and the Tooseys work, rest, learn and play everyday while having lots of fun.

Like you the Tooseys have to learn their lessons; reading, writing and drawing are their favourite ones. They also get to go out to help on the farm, driving tractors, ploughing fields and helping to bring in the harvest.

There is lots of fun time too, running through woods, dashing across fields, swimming in lakes, going on days out to the seaside and more besides and together they would all love to share these wonderful experiences with you.

Are you ready for some fun?

Great, let's get started!

Teddy Bear, Zippy Dee Doo Dah, Milly Moo, Jilly Jelly, Dolly Dot, Bessie Boo, Trudy Scrumpy, Mini Ebony, Ollie Brumble and Bentley Bear are ready to be your friend.
