

Create a video or poster challenge

Last week Mrs Knight sent us the message below:

Dear Primary Six

As our future P7 children I am hoping you can help me. I am looking for volunteers to record a very short video talking about Burnbrae. I am also very hopeful that some of you may wish to volunteer as a Buddy to our new P1 children. Videos will be shared on the school website to help children joining us in P1 after the summer and may be included in the virtual tour I am creating. If you would like to take part you must ask the adults in your home first. If you can take part please record yourself talking about one of the questions below and ask the adults to send it to the school email address. If I receive an email then I will know it is okay to share it online. If your family doesn't want your video or photo shared online that is okay and maybe you could create a poster instead.

So...

We would like you to create a video or a poster in response to this message. Remember to ask adults in your house if making a video. We know Primary 6 will make excellent buddies but why not go a step further to welcome our new Primary 1s.

<p>L.I: I am learning to make a video</p> <p>Success criteria</p> <ul style="list-style-type: none"> -Make notes about your main points -Start your video by saying what you will be talking about, "today I'm going to tell you..." -Use expression in your voice -Think about facial expression <p>Some people prefer to improvise when making a video, if this is you, go for it!</p>	<p>L.I: I am learning to create a poster</p> <p>Success criteria</p> <ul style="list-style-type: none"> -Make the poster bright bold and colourful -3-5 key pieces of information included -Use different fonts to make it interesting -To think about layout and presentation -To use dictionary to check spelling
---	---

To get started...

What are the Primary 1s going to need to know?

Pick a question from below and make that your focus. If you are making a video you might want to pick a few questions, it really is up to you. Also, if you have a different question or focus, this is fine.

- What do you like best at Burnbrae?
- Can you tell me about the school lunches?
- What can you do outside at Burnbrae Primary?
- What do you think of the staff at Burnbrae?
- Can you tell me why you like Burnbrae Primary?
- Can you remember how you felt when you started P1?
- You could also make up your own question or share some advice on starting school.
