

Primary 1 - Week 5-6 Learning from Home 4.5.20-15.5.20

Learning Across the Curriculum

Health and Wellbeing	Science	Expressive Arts
<p><u>PE Lessons</u> Continue to take part in Joe Wicks' P.E lessons. https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ</p> <p><u>Obstacle Course</u> Make an obstacle course in your garden or an open space using things you find around your house. Try to include balancing, jumping, rolling and different types of movement. *Time how long it takes you to complete the course. Can you beat your time? *How many times can you complete your course in 1 minute?</p> <p><u>Yoga</u> If you are looking for something quieter and more relaxing try Cosmic Kids Yoga. Here are 2 links to sessions you might enjoy! Pokemon Yoga and Frozen Yoga</p> <div data-bbox="96 938 203 1046"></div> <div data-bbox="340 960 470 1046"></div>	<div data-bbox="775 264 831 357"></div> <p>You are going to be a Scientist. You will need: a plate, some water, pepper and liquid soap or washing up liquid.</p> <p>Follow along with Glasgow Science Centre's activity about germs and how soap helps. Enjoy! https://youtu.be/DGaLC4XBGo8</p> <p>Washing your hands well is so important, especially just now. Make a poster to display at home to remind your family to wash you their hands regularly.</p> <div data-bbox="1037 735 1162 925"></div>	<p>While you are out on a walk, keep an eye out for blossom trees and take a picture. They are particularly beautiful just now. You might even have one in your garden. When you get back to your house (or you might want to do this when you are out) create a blossom tree piece of art work. You could draw it and colour it using pens, pencils, chalks or crayons or you could paint it using brushes or your fingertips! You decide! We look forward to seeing you master pieces!</p> <div data-bbox="1738 564 1818 684"></div> <p>On your daily walk find a rock or large stone. When you get home use your creative skills to turn you rock into a little rock person. Decorate it using pens or paints and any other craft materials you might have. Give your little friend a name. You might even want to make them a little house or make them some clothes. Most importantly have fun! Again, we would love to see your creations!</p> <div data-bbox="1727 956 1827 1066"></div>
French	ICT	Other
<p>Continue to practise saying your French greetings. Can you say hello/good-bye? Can you say 'my name is...' & 'what is your name?' Link to a fun song if you need help - https://www.youtube.com/watch?v=NXkJ88ygPY0</p> <p>Over the next 2 weeks we would like you to work on learning your numbers to 10 in French. Here is a great song to get you started. count to 10 in French(click here)</p> <div data-bbox="327 1390 510 1493"></div>	<div data-bbox="1059 1128 1137 1184"></div> <p>Go for a spring walk. Practise your photography skills by taking photos by <u>yourself</u> of any signs of spring that you see. It might be blossom trees, flowers, lambs in the fields, buds on trees, tweeting birds etc.</p> <p>When you get back use the App 'Pic Collage' to make a Spring collage of your best photos. Send it to your teacher, we would love to see it! </p>	<p>Things to do everyday</p> <ul style="list-style-type: none"> -Enjoy reading at least 3 stories - Play a board game or complete a puzzle - Help prepare your meals - Help around the house. (set the table, make your bed, tidy your room.). - Count forwards and backwards from 20 while washing your hands.
