

Primary 1 – 08.06.20 – Literacy – Learning from Home

Choose 1 activity to complete each day. It doesn't matter which order you do them in.

Reading den

It is nice to snuggle up with a book and chill out for a while. Can you make your own personal reading den?

You can make it indoors or outdoors depending on the weather.

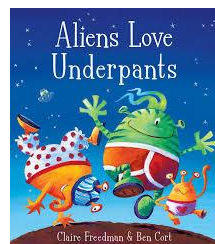

Think about how big it needs to be. Is it just for you and does it need to be big enough for someone else to fit in too so you can share a story?

It can be as simple as a blanket on the grass and a tree to lean against or as complicated as you are able to make it. As long as you are comfy and cosy and ready to enjoy your book.

Reading and Writing Story Map and retelling a story

Listen to the story 'Aliens Love Underpants!'

<https://www.youtube.com/watch?v=ADnAGBWlZqE>

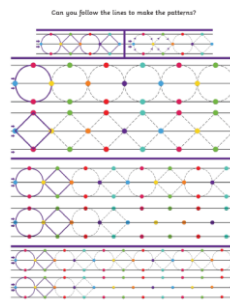

Draw a story map of 'Aliens Love Underpants!' and tell the story to your grown up.

Can you remember all the funny things the aliens did with the underpants? Which bit made you laugh most?

Handwriting

This week we are tracing and copying patterns that will develop our pencil control.

The worksheets can be found in the files section. There are three this week.

If you can't print them out, just copy them onto some paper by hand.

You could also practise writing your first and last name. Concentrate on formation and sizing. Remember it starts with a capital letter too.

Maybe you could write your name on the ground outside using water or chalks?

Reading and writing Describe an alien

Have a look at the 'Crazy Aliens' sheet in files. Read the descriptions and talk about them with your grown up.

Can you create your own crazy alien? Draw a picture of it.

Now write a short description of it.

- How many eyes does it have?
- What colour is it?
- What is its skin like - smooth? Slimy?
- Is it friendly or scary?
- Anything else?

Listening and talking

Here are some rhymes about space.

You probably know '5 Little Men in a Flying Saucer' already because we sometimes sing it in school. Can you sing it to your grown up?

<https://www.bbc.co.uk/teach/sc-hool-radio/nursery-rhymes-five-little-men-in-a-flying-saucer/z6qgscw>

The 'Rocket into Space' rhyme is new to me but I know the tune - it is from 'Jelly on a Plate'!

<https://www.bbc.co.uk/teach/sc-hool-radio/primary-school-songs-eyfs-ks1-rocket-into-space/zfdy9q>

Can you make up another verse for this rhyme?

Perhaps one about what they see or do when they get into space?

- Aliens on Mars?
- Comets flying by?
- Walking on the moon?
