'Hold a Sentence'

Hold a sentence is an activity that encourages children to remember a whole sentence while focusing on spelling and punctuation.

First listen to the adult say the sentence then repeat the sentence back. Do this at least 3 times. You could say the sentence in different voices e.g. quiet, loud, whisper, etc. **Next** help the adult write the sentence remembering to Fred Talk your sounds. Remember there might also be some red words to spell. **Finally**, the adult can hide their sentence and you can have a go writing it on your own. Check it together afterwards.

- 1: I can see three bright white sheep at the park.
2. The horse stole straw from this huge farm.
3. The better farmland was a long, wide square.
4. The flight crew did scream when they found a third bonfire.
