

Greetings from your class bear!

Dear Primary 1M,

Hello! How are you? It has been a long time since I have seen you all and I am missing you. I had so much fun and so many adventures when I had my sleepovers at your houses. I always loved playing with you at school too.

I have been staying with Mrs Marrins recently and she has done a good job of looking after me. She even makes me my favourite snack – toast and honey. Yum yum!

We have had to stay at home a lot but we have still had a good time. We have played games together like snakes and ladders and twister – twister is a bit hard for me because my arms and legs are quite short!

I have also explored all around Mrs Marrins's local area by going on lots of walks. Mrs Marrins usually carries me in her rucksack with my head sticking out so I can see where we are. I have enjoyed being out and about in the fresh air.

I hope that you have been staying safe and keeping busy at home too. Could you draw me a picture of something you have enjoyed doing recently? Perhaps you could write a little about it too? I'm sure your grown up will help you.

Lots of love and faraway hugs,

Your class bear Henry
