

Compass Points Task

Refresh your memory of compass points by visiting the link:

<https://www.ordnancesurvey.co.uk/mapzone/map-skills/compasses-and-directions>

Select map skills and then compass and directions.

Once you have completed that answer questions 1 & 2 below.

If you want an extra challenge see the compass extension task.

Compass Points

The four points of the compass North, South, East and West can be extended into an **eight** point compass rose as shown.

NE stands for **North-East**.

Remember :
 $360^\circ = 1$ full turn
 $180^\circ = \frac{1}{2}$ turn
 $90^\circ = \frac{1}{4}$ turn

Know the 8 compass points and the size of the angles between them.

Exercise 5

- Copy** and complete the 8 points of the compass from the diagram shown.
- How many degrees are there from :-
 - North to East (clockwise)
 - East to South (clockwise)
 - North to West (anti-clockwise)
 - North to West (clockwise)
 - North to North East (clockwise)
 - North to South West (anti-clockwise)
 - West to East (anti-clockwise)
 - SW to North (clockwise)
 - North to South
 - NW to NE (anti-clockwise) ?
