

ERIC TASK

We hope you are still remembering to read weekly at home.

Here is a website that gives you access to lots of AR books:

<https://www.getepic.com/students>

Visit the link, login with your class code and then select your name to begin reading.

P5J - wvc5619

P5B - vnp8275

If you select AR and then your code range you will get lots of books. Some books even have a quiz at the end.

You might even want to explore the site for yourself, there are comics and even audio books for you to enjoy.
