

Staff Profile

Miss Thornton

A few years ago I visited Hogwarts - it was amazing!

My name is Miss Thornton, but if you like you can call me Miss T. I've been a teacher for 14 years and it's still one of my favourite things. I love to learn new things with my class and to have fun together.

I love spending time with my family. I have two sisters who gave me lots of nieces and nephews. I like to visit them lots; we sing Disney songs, play boardgames and go on treasure hunts in the garden.

I would love to have a pet cat one day, I just need to be grown up enough to have a house with a garden.

I'm so excited about teaching P2 this year. I know most of you already but am excited to get to know you all lots better.

Play, Grow & Learn Together

Play - What makes you feel happy?

I love spending time with friends, we like to play games, do quizzes and go for picnics in the sunshine. I also love listening to stories, dancing and playing with my Harry Potter lego.

Grow - What do you wish you were better at?

I love baking but I wish I was better at it. This year I would really love to learn how to make bread. I'm also trying to learn how to sew clothes at the moment. It's great fun but very challenging!

Learn - What do you enjoy learning about?

I love to learn new hobbies, like painting, pottery and playing the guitar. I just need to pick one thing and stick to it so that I can practise it more!
