

This week's grid is a little different from the previous weeks. Everyone has been working so hard at home and we want to end the session with some fun activities added in. Enjoy!

<p><u>Primary 3 Reflection</u></p> <p>Now that your time in Primary 3 is almost at an end, have a think back over the past year and either write, draw or tell someone about:</p> <ul style="list-style-type: none"> • Something new you learned • Something you found difficult • Something that made you happy • Any other memories of P3 	<p><u>Moving On</u></p> <p>Normally you would have the chance to meet your new teacher at the end of this term and have a look at your new classroom. Unfortunately, we are not able to do that this year.</p> <p>Talk to someone at home about how you feel about moving on to Primary 4. If you have any worries or questions it can be helpful to talk about them. Even if we don't have all the answers quite yet!</p>
<p><u>Summer Wordsearch</u></p> <p>Write a list of words associated with the summer e.g. holidays, sunshine, picnic, beach. Can you create a wordsearch using your list of words? Ask a member of your family to find the words.</p>	<p><u>Coconut Vowels</u></p> <p>Play this game to practise your spelling.</p> <p>https://www.arcademics.com/games/coconuts</p>
