

PLANNING A TRIP TO DISNEYLAND FLORIDA

IDL Task

Your task this week is to plan a trip for your family to Disneyland Florida!

1) First, let's look at flights. How much will it cost to get your whole family there AND back?

Glasgow to Orlando	One Way
Seat	£400
Children under 2	Free

Orlando to Glasgow	One Way
Seat	£300
Children under 2	Free

2) Hotel

- Ask your family what would be in their dream hotel. What facilities would it have? Would it be a themed hotel?

Design a poster to advertise it. The poster must...

- Be colourful and eye-catching
- Include the name and address of the hotel
- Use exciting language to persuade someone to stay there
- Use some alliteration e.g., sunbathe next to our superb swimming pool!

3) Tickets

- You have arrived at your dream hotel. Now you must buy tickets for the park. You are going to be in the park for 4 days. What would be the best value option for your family?

Weekly Pass	
Family ticket (2 adults and 4 children)	\$90
Adult ticket	\$50
Child ticket (under 16)	\$40
Daily Pass	
Family ticket (2 adults and 4 children)	\$50
Adult ticket	\$30
Child ticket (under 16)	\$20

-
- 4) Design a Disney themed ticket for your family.
 - Now that you have arrived, have a look around!
 - Magic Kingdom: https://www.youtube.com/watch?v=_iIxfFZW-NE
 - Epcot: <https://www.youtube.com/watch?v=PRUePKh3WOU>

Choose your rides!

- On the next page, have a look at the list of rides for Disneyworld Florida's Magic Kingdom. Unfortunately, you don't have time to visit them all. You and your family can only go to ten of them. The same ten! That means you must discuss and agree with at least one other person, which ten you will choose.

Magic Kingdom

- | | |
|--|---|
| <input type="checkbox"/> Jungle Cruise | <input type="checkbox"/> Astro Orbitor |
| <input type="checkbox"/> Cinderella Castle | <input type="checkbox"/> Haunted Mansion |
| <input type="checkbox"/> The Hall of Presidents | <input type="checkbox"/> WDW Railroad |
| <input type="checkbox"/> Country Bear Jamboree | <input type="checkbox"/> Pirates of the Caribbean |
| <input type="checkbox"/> Peter Pan's Flight | <input type="checkbox"/> Magic Carpets of Aladdin |
| <input type="checkbox"/> Dumbo the Flying Elephant | <input type="checkbox"/> Swiss Family Treehouse |
| <input type="checkbox"/> "it's a small world" | <input type="checkbox"/> Mickey's PhilharMagic |
| <input type="checkbox"/> Mad Tea Party | <input type="checkbox"/> Monster's Inc. Laugh Floor |
| <input type="checkbox"/> Tom Sawyer Island | <input type="checkbox"/> Liberty Square Riverboat |
| <input type="checkbox"/> Enchanted Tales with Belle | <input type="checkbox"/> Enchanted Tiki Room |
| <input type="checkbox"/> Casey Jr. Splash 'N' Soak Station | <input type="checkbox"/> Sorcerer's of the MK |
| <input type="checkbox"/> Prince Charming Regal Carrousel | <input type="checkbox"/> Disney Animals - Horses |
| <input type="checkbox"/> Walt Disney's Carousel of Progress | |
| <input type="checkbox"/> Buzz Lightyear's Space Ranger Spin | |
| <input type="checkbox"/> The Many Adventures of Winnie the Pooh | |
| <input type="checkbox"/> Tomorrowland Transit Authority PeopleMover | |
| <input type="checkbox"/> Under the Sea - Journey of the Little Mermaid | |

- ☐ Tomorrowland Speedway - 32 inches or taller
- ☐ The Barnstormer - 35 inches or taller
- ☐ Seven Dwarfs Mine Train - 38 inches or taller
- ☐ Splash Mountain - 40 inches or taller
- ☐ Big Thunder Mountain Railroad - 40 inches or taller
- ☐ Space Mountain - 44 inches or taller

Final Task – Design a Rollercoaster!

- You are going to design your own rollercoaster for Disneyland. For an extra challenge, try to build it out of junk materials or lego. Here is a checklist to help you...

To do	tick
Decide on a Disney theme, e.g, Frozen or the Incredibles.	
Think about ways you can make your model show your theme. You could decorate it, or have a character welcome customers onto the ride? Will you have themed music on the ride?	
Who will use your ride? You? An action figure or doll?	
Where are you going to build your ride? Inside with the furniture? Outside with what's in your garden? Junk model? Construction toys, e.g Lego or Skelectrix.	
What kind of ride is it going to be? Will it be a roller coaster or Big Wheel or a ride through attractions? Will there be water?	
How big or small will it be?	
Sketch out your plan in pencil so that you can rub out.	
Do a separate sketch for your car.	
Make a list of the materials you will need and do you have them?	
Alter your plan to suit what you have.	
Build your ride.	
Use your ride. Photograph it and post on Teams.	

Well done! You are finished.

- Think about what learning skills you have used in this activity. Try to name 5 different skills. E.g., cooperation, addition...
- Watch a Disney film as a treat for finishing!
