

The return of Edinburgh Zoo

Visit the Edinburgh Zoo website:

<https://www.edinburghzoo.org.uk/webcams/panda-cam/>

Explore the live cams to see what the animals are up to whilst the zoo is currently closed.

As of today zoos in England are allowed to reopen.

The earliest we can visit Edinburgh Zoo is the 15th July.

Your task is to create an eye-catching leaflet advertising the reopening of Edinburgh Zoo.

You will need to include:

- What day does it open?
- What time does it open?
- How much is it to get in?
- What is there to see and do?
