

## Burnbrae Primary Online Learning Weekly Overview

Week Beginning 11<sup>th</sup> January 2021

Primary 7

The grid below provides an overview of the tasks to be covered across the week. The activities will be uploaded as separate assignments on a daily basis with the titles you see under each heading. Where relevant, you should complete your work and submit examples back to us for feedback. We are also encouraging self and peer assessment as we would do in class, in addition to high quality presentation and effort. Some assignments may contain more than one level of challenge. Where this is the case, you should choose your level carefully and complete **one challenge only**. For help, please pop a message in the chat function and we will get back to you as soon as we possibly can. Remember, we're all in this together and we understand that you and your family will have days where you might do more tasks than others - that is OK! If you're feeling worried about this, please leave us a message, a teacher is never far away!

	Monday	Tuesday	Wednesday	Thursday	Friday
