

Home Learning Week beginning January 11th 2021

Our topic this term is going to be about Scotland

	<u>Literacy</u>	<u>Numeracy and Maths</u>	<u>Other</u>
Mon	<p><u>Song:</u> Our usual starter song to get us in the mood for learning! https://www.youtube.com/watch?v=qWn-qxUddqo&ab_channel=EpicPhonics</p> <p><u>Reading:</u> choose a book to read/be read to you. If you can't find something you like, try a book on this website: Storyline Online. I recommend Arnie the Donut! https://www.storylineonline.net/books/arnie-the-doughnut/</p> <p><u>Comprehension:</u> What was your favourite part of the story? Was it a funny, silly, happy, or sad story? <u>Optional:</u> Draw/write about your favourite part of the book</p> 	<p><u>Song:</u> Choose either counting by 2s or 5s (feel free to try even harder ones, such as 3s, 4s, or 10s) https://www.youtube.com/watch?v=GvTcpfSnOMQ&t=45s&ab_channel=ScratchGarden https://www.youtube.com/watch?v=EemjeA2Djjw&ab_channel=ScratchGarden</p> <p><u>Outdoor learning:</u> If you can, go outside (using indoor objects is fine too!) and see if you can find any sticks, leaves or stones. See if you can group them into 2s. How many groups of 2s can you make? How many are all together?</p> 	<p><u>Social Studies</u> Vikings: Did you know that the Vikings came to Scotland? You might have seen the How to Train your Dragon movies, which have Viking people in them. If you can, watch the movie (or clips on YouTube). What kind of clothes do they wear? What are their houses like? Did you notice their shields and weapons?</p>  <p>Here is a fun song about Vikings: https://www.youtube.com/watch?v=CvkhUx2k5Qs&ab_channel=SingSongAlong</p>

<p>Tu es</p>	<p>Letter Formation Practice writing a, b and c. If you need help with letter formation, you can watch this video: https://www.youtube.com/watch?v=ijd45Qddxfo&ab_channel=GinaHanlon</p> <p>Practice writing your name - you can make a label or a sign for your door, or just write your name in fun colours!</p> 	<p>Measure Look for different objects in your house or outside. Use your hands to measure them, is the object two hands long? Three hands? Half a hand?</p> <p>Organise the items into big, small and medium. You can also use a ruler if you wish.</p> 	<p>P.E.</p> <p>Scottish Country Dancing</p> <p>https://www.youtube.com/watch?v=2ln3P_L8mX8&ab_channel=TheWiggles</p> <p>Here is a video of some Scottish Dancing moves you can learn! If you cannot get on to YouTube, just move your body and get active in any way you like!</p> 
<p>W ed</p>	<p>Writing Use a storyboard provided to make up a story. You can write in the storyboards if you like or just draw pictures or both! You do not have to use all the squares, just use as many as you want. Give your story a beginning, a middle and an end.</p> 	<p>Adding Worksheet (see pack)</p> <p>Option 1: adding within 10</p> <p>Option 2: adding within 20</p> <p>Option 3: adding and subtracting within 100</p> 	<p>Health and Wellbeing</p> <p>Enjoy some relaxation time - put on a relaxing video, music or just sit somewhere peaceful. Close your eyes and focus on your breathing.</p> <p>Try some meditations/yoga if you wish!</p> 

	Some story ideas: Story about a snowman, about you, about a baby monster		
Th urs	<p>Reading</p> <p>Listen to Miss Duncan read the first chapter of How to Train your Dragon on Seesaw. The main character is called Hiccup. Comment a question you want to ask him. Ideas: You can ask him questions about himself, his family, friends or where he lives.</p> 	<p>Shapes</p> <p>Shape hunt: either in your house or outside, see how many shapes you can find. Make a note of how many circles, squares, triangles and rectangles you see!</p> 	<p>Month of Outdoors</p> <p>Outdoor Challenge Day 1: Can you build a tower of sticks?</p> 
Fri	<p>Song: another of our favourite literacy songs!</p> <p>https://www.youtube.com/watch?v=BELIZKpi1Zs&ab_channel=KidsTV123</p>  <p>Activity: Ask someone about how they are feeling today. Tell someone how you are feeling and why.</p>	<p>Sharing</p>  <p>Use counters, cubes, Lego or any other objects you like. Set out an even number of counters. Share them between two people or four people (you can share them with teddies and figures too!)</p> <p>When we share something between two people, they get HALF each.</p>	

	<p>Draw a picture of something that makes you happy. Talk about why it makes you happy.</p>	<p>How much does each person get when you halve the numbers?</p>
