

## Burnbrae Primary Online Learning Weekly Overview

Week Beginning 25<sup>th</sup> January 2021

Primary 7

The grid below provides an overview of the tasks to be covered across the week. You should check this on a daily basis. Most of the activities will be uploaded as separate assignments on a daily basis however some such as Epic or Sumdog will just be on the grid. We are also encouraging self and peer assessment as we would do in class, in addition to high quality presentation and effort. Some assignments may contain more than one level of challenge. Where this is the case, you should choose your level carefully and complete **one challenge only**. For help, please pop a message in the chat function and we will get back to you as soon as we possibly can. Remember, we're all in this together and we understand that you and your family will have days where you might do more tasks than others - that is OK! If you're feeling worried about this, please leave us a message, a teacher is never far away!

**\*\* Throughout the week we will have different opportunities to 'meet' together virtually. Details are at the bottom of the table. All 'meets' are optional. This week we have also included a Challenge Numeracy Drop-in which is by invite only. To see if you have been invited to the meeting, check your Teams Calendar on Wednesday, ( left hand side of your screen) and you will see the details of the meeting. If you do not have an invite, you are welcome to join the alternative Numeracy Drop-In session on Division. The details of this will be on the main chat page\*\***
