

Burnbrae Primary Online Learning Weekly Overview

Week Beginning 15th February 2021

Primary 7

The grid below provides an overview of the tasks to be covered across the week. You should check this on a daily basis. Most of the activities will be uploaded as separate assignments on a daily basis however some such as Epic or Sumdog will just be on the grid. We are also encouraging self and peer assessment as we would do in class, in addition to high quality presentation and effort. Some assignments may contain more than one level of challenge. Where this is the case, you should choose your level carefully and complete **one challenge only**. For help, please pop a message in the chat function and we will get back to you as soon as we possibly can. Remember, we're all in this together and we understand that you and your family will have days where you might do more tasks than others - that is OK! If you're feeling worried about this, please leave us a message, a teacher is never far away!

**** Throughout the week we will have different opportunities to 'meet' together virtually. Details are at the bottom of the table. All 'meets' are optional. This week we have also included a Google Classroom Drop-in where we will share with you how to access Google Classroom for your High School Challenges. Remember to keep checking your Teams Calendar on the left hand side of your screen, to see if you have any smaller group meets scheduled. ****

	M o n d a y	Tuesday Internet Safety Day!	Wednesday	Thursday	Friday
