

# Home Learning

## Primary 6

Issued: 21.9.21

Due: 30.9.21

Please complete the 4 core tasks (underlined). The other tasks are optional.

Colour in the circle to self-assess your tasks

**Green – easy**

**Yellow – challenging**

**Red – too difficult**

**Task 1:**

### Numeracy

Create a word web for the concept “subtraction” include all the language and terminology you associate with this concept.

Or

Think of a mystery 5 digit number. Write 3-5 subtraction clues for a friend to try and guess/work out your number.

**Task 2:**

### Literacy – Talking and Listening

L1: Create open-ended questions

Most adults have witnessed a natural disaster (major floods, hurricanes, droughts, earthquakes etc) in their lifetime, even if only through news reports.

Choose an adult to interview about natural disasters. Write at least 5 open-ended questions that you could ask.

**Task 3:**

### Mathematics

L1: Apply understanding of rounding

Choose one of the nrich tasks to complete. We will look at these in class to give you some tips! Read the instructions carefully and write down your findings so that we can discuss them in class next week.

Round the two dice

<https://nrich.maths.org/10435>

Round the four dice

<https://nrich.maths.org/10426>

**Task 4:**

### Literacy - Spelling

L1. To spell words accurately

Make sure you take home your spelling words home with you! They will also be posted on Teams on Friday.

Use bubble writing, pyramid writing, hangman or any activity that works for you. If you need an extra challenge, try to find more words that follow the same spelling rule.

If you are not sure which spelling group you are in because you have not been in school to do the assessment yet, just choose the set that you feel is the right level of difficulty for you!

**Task 5:**

### Health and Wellbeing

L1: Rainbow Nature Hunt

Did you know that just 20 minutes outdoors 3 times a week has been shown to reduce stress and anxiety and improve mental health for all ages!

Whilst out on a walk see if you can find something in nature for every colour of the rainbow. You might be surprised to see what colourful things you can still find in the Winter!

You could make a colour wheel to put your items on or take photographs and make a collage of your colourful nature treasures instead!

**Task 6:**

### Topic –

IDL – Energy and sustainability

Your task is to create a pamphlet or poster about an energy source which can be found in Midlothian. You'll need to Investigate which power sources are near to us in Midlothian and choose one of these sources.

Is your energy source renewable or non-renewable?

Will your energy source ever run out?

How does your energy source create electricity?

At the end of the week please think about the following questions together.

What was your favourite task and why?

**Child:**

**Adult:**

What would you like more help with or to do more of?
