

Remote Learning Grid September 2021 Second Level

Literacy	<p>Read your favourite novel or find an interesting article. Read a paragraph aloud with an adult. Think and talk about the impact punctuation has on expression. Try changing the punctuation and reading the same piece aloud. Can you hear the difference?</p>	<p>Draw a story map of a paragraph or chapter of a book you enjoy. Can you change key details such as character or setting to change the story?</p>	<p>Read for enjoyment every day for at least 20 minutes. Try to read a range of texts and genres.</p>
	<p>Write a persuasive letter to one of the characters in your chosen text. Think carefully about word choice, sentence structure and layout.</p>	<p>Use the websites below to practice spelling a range of common words. Choose words you find challenging to spell or find unfamiliar words from a text. https://www.spellzone.com/word_lists/games-259517.htm https://www.spellingtraining.com/</p>	<p>Watch Newsround https://www.bbc.co.uk/newsround and discuss with your family a chosen current affairs topic. Work with them to decide how you could share this news with the class and what information should be included. You can choose to present this in any format you like. Some ideas might include a poster or a PowerPoint.</p>
Numeracy and Maths	<p>Numeracy: Practise numeracy skills using Sumdog, Education City or Top Marks games. Focus on speed and accuracy of the four operations – addition, subtraction, multiplication and division.</p>	<p>Challenge yourself to complete the Daily Rigour. Use the link below to find it. https://www.rigourmaths.com/the-daily-rigour/</p>	<p>Use the links below to practise applying different problem solving strategies. https://www.braingle.com/games/sudoku/ or https://www.kidsmathgamesonline.com/problemsolving.html</p>
	<p>Create a wish list. Create a list of 5 items you would love to have and find the total of your list. - Calculate how many weeks you would need to save for if you earned £5 a week pocket money. - If you started saving your pocket money on 14.09.21 what date you have achieved your goal? - If you had £35 already saved, how many more weeks would you need to save for?</p>	<p>Click the link below to practise reading and interpreting information from a bar graph. You can choose your level of challenge. https://mathsframe.co.uk/en/resources/resource/51/bar-charts</p>	<p>Use this link to remind you how to find the mean, mode, range and median. https://www.bbc.co.uk/bitesize/topics/zm49q6f/articles/z99jpbk Collect information about shoes sizes in your immediate and wider family and calculate the mean, mode, range and median. Try displaying you data in different ways e.g. tally chart, bar graph, pie chart.</p>
