Fishy, Fishy

Fishy, fishy, in the brook,
Daddy catch him with a hook,

Mummy fry him in the pan,
Baby eat him like a man.

P1 Home Learning

This week we will send home our P1 home learning packs. **Please take care of your child's learning pack as these will be used throughout the year.**

Please can you:

- Cut out each of the number cards carefully for your child and **keep these safe!**
- Please do this for the sounds cards too
- Read through the pack to find out how we teach number and phonics and how you can best support this at home
- Please **do not** teach your child sounds that we have not yet learnt in school

This week, with your child you could:

- Practise our rhyme of the week together
- Practise our 'a', 't', 's', 'p' and 'n' sounds by showing your child one of these sound cards and asking them to say the sound and do the action
- Practise writing our 'a', 't', 'p', 's' or 'n' sound at home using the formation sheet to help you. Make sure your child is holding their pencil correctly (this information and the formation sheet is in your child's pack)
- Practise counting forward and backwards within 10. If you show your child a number card within 10, can they tell you which number it is?
