

# Home Learning

## Primary 6

Issued: 23/11/21

Due: 02/12/21

Please complete the 4 core tasks (underlined). The other tasks are optional.

Colour in the circle to self-assess your tasks

**Green – easy**

**Yellow – challenging**

**Red – too difficult**

Task 1:

Numeracy –

### Numeracy and Mathematics - Rugby Score

In rugby, you get 3 points for a penalty, 5 for a try and 7 for a converted try. A team scored 36 points. Find all the ways they could have scored these points, e.g. – 4 tries, 1 converted try and 3 penalties.

**Challenge:** Make some problems up for your family to solve. Can you make one which has more than one solution?

Task 2:

Literacy - Reading for Enjoyment

Make a quiz about your favourite movie or book character. Compose at least 10 questions. You can write it down or make it here...

<https://www.quiz-maker.com/>

Task 3:

Topic – Scotland through the decades

**LI:** I have listened to a range of music and can respond by discussing my thoughts and feelings

Listen to a variety of songs from the 1960's, 70's, 80's and 90's. Choose a favourite song from each decade and we will share these during relaxation.

Speak to family members for tips and find out some of their favourites.

Task 4:

Literacy - Spelling

**L.I. To spell words accurately**

Make sure you take home your spelling words home with you! They will also be posted on Teams/Google classroom.

Use bubble writing, pyramid writing, hangman or any activity that works for you. If you need an extra challenge, try to find more words that follow the same spelling rule.

If you are not sure which spelling group you are in, just choose the set that you feel is the right level of difficulty for you!

Task 5: Health & Wellbeing

**LI: be able to identify the characteristics that make a good friend.**

Create a paper doll chain using plain paper, a pencil and scissors. On each doll write 3 qualities that make a good friend. Attached is a YouTube link on how to make paper dolls.

Task 6: Numeracy and Maths

**LI: identify and work on areas for improvement in numeracy**

Practice your numeracy using these self-marking worksheets. Choose one of the four operations that you think you need to practice. We will show you how to use the website this week in class.
