

## Early Level Remote Learning Grid December 2021

<p><b>Literacy</b></p> <p><b>Use your Book Bag Books to complete tasks</b></p> 	<p><b>Inch and Grub</b></p> <p>Read the story with an adult then create a picture that the cavemen could have on their walls of their caves at the start of the story. Remember to add as much detail as you can just like we do in class.</p>	<p>Read for enjoyment every day, for at least 10 minutes.</p>	<p><b>My First Book of Woodland Animals</b></p> <p>Draw a picture of your favourite woodland animal from the book. Add some facts that you have learned about that animal.</p>
	<p><b>Arlo the Lion Who Couldn't Sleep</b></p> <p>Read the story then discuss with an adult how Owl helps Arlo fall asleep. Do you have a favourite song or rhyme that helps you sleep? Or could you make one up? Share your song or rhyme with us on Seesaw.</p>	<p>Ask an adult to help you think of different wintery words.</p> <p>Can you use them to make a wintery acrostic poem?</p>	<p>Keep a weather diary for 5 days.</p> <p>Write down what the weather was like each day and draw a picture of it!</p> 

<p><b>Numeracy and Maths</b></p> 	<p>Practise numeracy skills using games on the Top Marks website</p> <p>Focus on addition and subtraction:</p> <p><a href="https://www.topmarks.co.uk/maths-games/5-7-years/addition-and-subtraction">https://www.topmarks.co.uk/maths-games/5-7-years/addition-and-subtraction</a></p> <p>And shape:</p> <p><a href="https://www.topmarks.co.uk/maths-games/5-7-years/shapes">https://www.topmarks.co.uk/maths-games/5-7-years/shapes</a></p> <p><a href="https://www.topmarks.co.uk/maths-games/3-5-years/money">https://www.topmarks.co.uk/maths-games/3-5-years/money</a></p>	<p>Roll a dice or select a number card at random and count forward in ones / twos until an adult says stop. Then begin counting backwards in ones/twos until the adult says stop.</p>	<p>Go for a wintery walk and see if you can find natural symmetry. Can you take a photo of things you find and share them with us?</p> <p>Try using natural materials to create a symmetrical picture.</p>
	<p><b>30 second challenge:</b></p> <p>Count how many jumps, claps and hops you can do in 30 seconds (ask an adult to count or use a timer on a computer!).</p> <p>Did you do the most jumps, claps or hops?</p> <p>Try to beat your record!</p>	<p>Find a collection of the same objects in your house e.g. socks, Lego pieces, crayons, toy cars, toy trains etc. or out in your garden e.g. sticks, leaves, stones etc.</p> <p>Can you lay them out on the floor to make the shape of a circle? Can you make a square or a rectangle?</p> <p>Challenge: what other shapes can you make?</p>	<p><b>Number Hunt!</b></p> <p>Ask an adult to hide numbers 0-10 written on paper around the garden. Can you find the numbers as quickly as you can? Can you hunt for numbers 11-20 too?</p> <p>Challenge: Can you carefully order the numbers you have found from smallest to largest?</p>
<p><b>HWB / Global Citizenship</b></p> 	<p>Complete a Cosmic Kids yoga session on Youtube.</p> 	<p>Make a list of ways you can help our school get our Eco Flag. What can we do to stop using so much plastic? How can we stop litter in the playground? Create a poster to encourage others to think more carefully about their impact on our planet.</p>	<p>With the help of an adult, try to make a den in your house or garden! Make it nice and cosy and then choose a book to read in your den. Draw a picture of your finished den!</p>
