

First Level Remote Learning Grid December 2021

<p>Literacy</p> 	<p>Go on a sensory winter walk with an adult. What can you see? What can you smell or hear?</p> <p>Can you use this to create a wintery acrostic poem with a winter word of your choice? Remember to take time to edit and up-level your poem.</p>	<p>Choose a character from a book you are reading and draw them into their own comic strip!</p> <p>It could be funny, exciting or scary – you can choose what happens!</p> <p>Remember to give the story a beginning, middle and end.</p> <div data-bbox="855 702 1171 890"> </div>	<p>Read for enjoyment every day for at least 20 minutes.</p> <p>Try to read a range of texts and genres.</p>
	<p>Help us achieve our Eco Flag by thinking of ways we become more eco-friendly at school. Write a persuasive letter to Mrs Clarkson that outlines the problems and suggests alternatives. Before you begin, create your own success criteria of an effective letter.</p> 	<p>Use the websites below to practice spelling a range of common words.</p> <p>Choose words you find challenging to spell or find unfamiliar words from a text.</p> <p>https://www.spellingtraining.com/</p>	<p>Watch the short clip of Kevin the Carrot 2019 - Russell Sprout and the Leafy Blinders on the Christmas Literacy Shed:</p> <p>greatestkevin - THE LITERACY SHED</p> <p>Choose 2 of the listed writing activities to complete.</p> <p>Remember to choose your challenge wisely.</p>

<p>Numeracy and Maths</p> 	<p>Practise numeracy skills using games on the Top Marks website :</p> <p>https://www.topmarks.co.uk/maths-games/5-7-years/addition-and-subtraction</p> <p>Try to focus on quick recall of addition, subtraction, multiplication and division facts.</p>	<p>Measure: with the help of an adult, use some kitchen scales to measure the weight of 5 household items. Write down the weight of each.</p> <p>Now choose 5 other household items and use your previous measurements to help you to estimate (a clever guess!) how much each one will weigh.</p> <p>See how close you can get to the correct weight!</p>	<p>Number detective!</p> <p>Be a detective and think creatively.</p> <p>Follow the clues and use your reasoning skills to find the mystery number.</p> <p>Click on the link below to access the task: https://nrich.maths.org/204</p>
	<p>Click the link and choose a game to practise problem solving skills:</p> <p>https://www.topmarks.co.uk/maths-games/5-7-years/problem-solving</p>	<p>Dinner time!</p> <p>Design your own menu for a restaurant with your 5 favourite dinners on it. Yum!</p> <p>How much would each dinner cost? What drinks would you sell and how much would they cost?</p> <p>Get a family member to practise ordering from your menu and try to work out how much they would have to pay!</p>	<p>List 5 3D shapes</p> <p>Can you find any of these shapes around your home or garden?</p> <p>For each 3D shape, count how many faces, corners (vertices) and edges it has and draw a table to record your findings.</p>
<p>HWB / Global Citizenship</p> 	<p>Explore some different historical eras with this Horrible Histories game.</p> <p>Ask an adult to read you the hints and instructions first if you need help.</p> <p>https://www.bbc.co.uk/cbbc/games/horrible-histories-beastly-boxset-game</p> 	<p>Kids yoga</p> <p>Exercise your body and mind with 10 minutes of kids yoga!</p> <p>Watch and follow the stretches and exercises in this video:</p> <p>https://www.youtube.com/watch?v=g3-thDABiTo</p> 	<p>Delightful diary!</p> <p>Create your own picture diary with illustrations or photos of you being helpful around your home or garden.</p> <p>Remember to include a description of what helpful tasks you have been completing.</p>
