## Primary 6

Issued: 7/12/21

Due: 16/12/21

Please complete the 4 core tasks (underlined). The other tasks are optional.

Colour in the circle to self-assess your tasks

**Green – easy**

**Yellow – challenging**

**Red – too difficult**

### Task 1:

#### Numeracy –

LI: Use a variety of methods to add numbers

Choose one or more of the additions below and make a poster that shows the different strategies you could use to find the sum of the two numbers. Try to use at least 3 different methods:

- jump strategy (draw the number line!)
  - overjump strategy (use your knowledge of rounding!)
  - split strategy (**partition** or **deconstruct** both addends)
  - column method/chimney sum (don't forget to estimate!)

- a)  $78 + 64$   
 b)  $539 + 285$   
 c)  $1572 + 3671$

### Task 2:

#### Literacy - Reading for Enjoyment

LI: Free writing: poetry

Write an acrostic poem for something Christmas related. Be creative and include things that make Christmas special for you!

### Task 3:

#### Topic – Scotland through the decades

LI: Research and understand Scottish traditions

Choose one of the following Christmas and New Year traditions to research and discover more about. You could try the tradition out yourself (with the help of an adult if necessary) or just find out what it is and why it takes place.

- Wassailing
- Perkins
- First footing
- Black buns
- Clootie dumpling

### Task 4:

#### Literacy - Spelling

##### L.I. To spell words accurately

Make sure you take home your spelling words home with you! They will also be posted on Teams/Google classroom.

Use bubble writing, pyramid writing, hangman or any activity that works for you. *If you need an extra challenge, try to find more words that follow the same spelling rule.*

If you are not sure which spelling group you are in, just choose the set that you feel is the right level of difficulty for you!

### Task 5: Health & Wellbeing

LI: Use tools to regulate my emotions

Try creating your own chill out zone soundtrack using the natural sound effects and others from available using this free BBC website – <https://sound-effects.bbcrewind.co.uk>

### Task 6: Art

LI: Make a Christmas decoration from recycled materials

See what recycled materials you can find in your home and use them to create a Christmas decoration. Use this link for some inspiration!
