Literacy	Numeracy	Maths
<p>1. Write about a character you like in a book (It doesn't have to be your AR book). Tell me why you like them and what similarities and differences they have with you and why you might want or not want to do what they have done. Pick one set of the words below.</p> <p>2. Write the words in your book: find the definitions by using a dictionary book or online dictionary and write them in your jotter. Now use them in a sentence in your jotter.</p> <p><u>hot words</u> : ability, abode, absurd, abrupt</p> <p><u>spicy words</u> - accommodation, ambience, amenities, and availability</p>	<p>1. Write the numbers 1-12 along the top of your book, then write them again going down the way to create a grid. Use this as a multiplication grid. Complete it. Can you beat a parent completing it? To warm up use this clip - for fun try using Mr P's moves too! https://www.bbc.co.uk/teach/super-movers-ks2-maths-multiples-mash-up-march-with-mr-p-zkdy2sg</p> <p>2. Challenge - can you beat your family at a game of 'Beat Your Neighbour'. You could make it addition and subtraction sums as well as division and multiplication and it could be written as well as mental sums. Remember - #Challenge is Good!</p>	<p>1. Sumdog competition from 8am 30 March until 8pm (if you like) on Friday 3rd April. The competition will be against those in your maths group and on the subject of shape. It will cover area, perimeter and angles as well as the properties of 2d and 3d shapes. The leader board will show the winner in each group. The more you do the more chance of winning you have. Good luck!</p> <p>2. Have a look around the house. Find all the cuboids in the living room, kitchen and your bedroom. List them in your book. Which room has the most in it? Challenge - can you show this information in a tally chart or bar graph to show your results?</p>

<p>1.Be a chef! Go into the kitchen with whoever makes the lunch/tea and help them out. Write about what you made or what you did to help out.</p> <p>2.Go and play a board game of your choice with the family. Remember #challenge is good! If you can make it one that someone in the house has not played before, great. Have fun!</p>	<p>1.Get yourself outside with a balloon, ball or even a pair of rolled up socks - who can keep it in the air the longest? Decide on a simple prize for the winner and a 'wooden spoon' prize for the loser. Play against parents and siblings. Hope you win!</p> <p>2.Phone or video chat your grandparents or a friend to keep in touch with them. Tell them you are ok and what you have been doing. Ask them how they are and what they have been up to. If you would prefer write them a letter or email.</p>	<p>https://www.youtube.com/channel/UCQh2wgJ5tOrixYBn6jFXsXQ</p> <p>1.This is music with Myleene Klass. Go into play my name. It will recap what we have learnt about rhythm. Watch and take part. If you can, write your name down in musical notation. Challenge can you write a family member's too?</p> <p>2.Log onto Fischy Music - perform a couple of songs to your family! You could even teach them the words and actions and show us your talents on twitter for recognition board squares!</p> <p>https://www.fischy.com then head to all songs</p> <p>Log In details - Username - cuiken_ps@midlothian.gov.uk Password - Cu1k3n150</p>

Complete each activity on the grid - these can be completed in Green Jotter you were given.
