

## P4 – Distance Learning

If you need to learn from home for a while, the activities on this grid will help you. We will also post a few more specific activities on Seesaw.

Miss Brien & Miss Renton

Literacy	Numeracy	Health & Wellbeing	Other Curricular Areas
<p><b>Spelling</b> Revise the spelling words in your Home Learning jotter. Choose a variety of activities to practise these.</p> <p><b>Reading</b> Continue with your reading book. If you finish it, read a book of your own choice.</p> <ul style="list-style-type: none"> <li>• You can borrow ebooks from Midlothian Libraries online too.</li> <li>• <a href="http://www.storylineonline.net">www.storylineonline.net</a> has a variety of online stories.</li> <li>• <a href="http://www.oxfordowl.co.uk">www.oxfordowl.co.uk</a> also has a variety of online books. Some have activities attached. To access, use the <b>username: missbrien</b> and the <b>password: Danderhall or the username and password in the back of your home-learning jotter</b></li> </ul> <p><b>Writing</b> Write an imaginative story. It should have a clear beginning, middle and end. Don't forget to use interesting words to describe the characters and setting. Some themes to think about include:</p> <ul style="list-style-type: none"> <li>• a spooky forest</li> <li>• a deserted island</li> <li>• a school for aliens</li> </ul> <p><b>Listening &amp; Talking</b> Watch Newsround (BBC iplayer) and listen carefully to the articles. Can you make a quiz based on this episode? Don't forget to write down the answers too.</p>	<p><b>Numeracy</b> Practise your number patterns. Can you skip count in 2s, 5s, 10s, 3s and 4s forwards and backwards?</p> <p>Use your Sumdog login details to practise your basic facts online.</p> <p><b>Maths</b> Use measuring tapes, rulers, measuring jugs and weighing scales to practise measuring a variety of objects and volumes in your house. Take care to read the scale on the measuring jug or scales carefully.</p> <p>Can you find two things that are the same length, weight or volume but different shapes?</p>	<p><b>P.E.</b> You might not be able to play outside but you can still stay active inside.</p> <p>Try out some of Joe Wicks PE classes or perhaps you'd prefer some Cosmic Kids Yoga? You can find both on YouTube.</p> <p>You could make your own fitness circuit with different exercises you can do at home. E.g.</p> <ul style="list-style-type: none"> <li>• star jumps</li> <li>• throwing / catching a ball</li> <li>• balancing on one leg</li> <li>• skipping etc.</li> </ul>	<p><b>Art</b> <a href="http://www.artprojectsforkids.org/gallery-new/">www.artprojectsforkids.org/gallery-new/</a> is a great website giving you step-by-step instructions on how to draw a variety of things</p> <p><b>Music</b> Learn about animals around the world by listening to and joining in with some animal raps! <a href="http://www.bbc.co.uk/teach/bring-the-noise/andys-raps-index/z6tjcqt">www.bbc.co.uk/teach/bring-the-noise/andys-raps-index/z6tjcqt</a></p> <p><b>Social Studies</b> What do you want to be when you grow up? Do you know someone with a really interesting job?</p> <p>Research a job you might like to do when you are older. What do you do every day? Do you have to wear a uniform? What skills will you need to learn?</p> <p>Make a poster showing your learning.</p>
