Children's own responses.

People Who Help Us

There are many different people who help us. If we are ill or hurt, a nurse or a doctor can give us medicine. Dentists look after our teeth and can help us if we have a toothache.

When we are at school, our teachers help us to learn new things. The cook makes our school lunches and the janitor looks after the school building.

Police officers keep us safe by making sure that people obey the law and helping us if we are lost.

A lollipop person helps us by stopping cars so that we can cross the road safely.

Firefighters help us by putting out fires and rescuing people from accidents.
