

Gore Glen Home Learning Grid

P1 and P2

<p><u>Phonics - Reading</u></p> <p>Read your favourite story. Try to sound out and read as many of the words as you can on your own. Once you have finished the story draw a picture of your favourite character and write words around them that describe what they look like.</p>	<p><u>Maths - Shape</u></p> <p>Shape Go on a hunt around your home. How many different 2D and 3D shapes can you find? Collect these items and sort them into categories.</p> 	<p><u>Scavenger Hunt</u></p> <p>Go on a colour hunt around your home. Can you find 3 red, 2 yellow, 5 green, 4 blue and 1 purple object?</p> 
<p><u>Fine Motor - Letter Formation</u></p> <p>Practise forming letters using playdough, sand trays, paint or any other ways. Use some words from a book at home. Can you write each letter correctly to make the word?</p> 	<p><u>Numeracy Games</u></p> <p>Go to the Topmarks website and play some number games. Play any maths games for the Early Years age group.</p> <p>Early Years Maths - Topmarks Search</p>	<p><u>Outdoor Art</u></p> <p>Go outside and make some outdoor art. You could use sticks, leaves, grass or anything else you find to make a picture. Remember, don't pull anything off of trees or plants.</p> 
<p><u>My Favourite Book</u></p> <p>Think about your favourite book and see if you can create a new front cover for the book.</p> 	<p><u>Number Bonds Matching Game</u></p> <p>Write each number from 0 - 10 (or 20 for a challenge) on a small piece of paper. Turn over each of the pieces so you can't see the numbers. Can you turn over the two numbers that add together to make 10 or 20?</p>	<p><u>Squeezy Bottle Rocket</u></p> <p>Make your own bottle rocket. Can you measure how far your rocket travels? Does the size of the bottle change anything?</p> <p>How to make a Squeezy Bottle Rocket (science-sparks.com)</p>
