

<p>Diary Writing- Keep a diary of you time outside of school. Focus on thoughts and feelings and any major events happening each day.</p>	<p>Numeracy- Use a deck of cards and a dice to teach your family to play shut the box. Use cards A-9 where A=1 and flip them when you've used them.</p>	<p>Maths- Help to cook dinner, weigh out the ingredients and work out the total weight of the meal once finished. Were you right?</p>	<p>Technology- Use food packaging and other 'junk' left over from around the house to create a vehicle you could use in the year 3000.</p>	<p>Letter Writing- Write a letter to a friend. What have they been doing? What do you want to tell them?</p>
<p>Countdown- Go on to: https://nrich.maths.org/6499 challenge your family to see who can solve the puzzle the quickest.</p>	<p>Board Game- Create a new board game for you and your family to play based on your favourite film.</p>	 <p>P7 Home Learning Grid</p>	<p>Rotten Tomatoes- Watch a film as a family, write a review. Who was your favourite character? Why? What would you score it out of 5?</p>	<p>Art- Find a famous Scottish artist, what do you like about their work? Draw a picture in their style.</p>
<p>Construction- Use items from around the house to build a model fort or castle. Who lives there? Create a problem, how will the solve it?</p>	<p>Story Telling- Re-tell your favourite story using puppets. Socks/shadows/ paper cut-outs will all work.</p>	<p>Problem solving- You're not allowed to talk for the next 30 mins, how are you going to communicate with your family</p>	<p>Origami- Look online for ways to create your favourite animal out of paper. Have a go! Was it easier or more difficult than you thought?</p>	<p>Hit the Button- Play 'Hit the Button' on the 'Topmarks' website. Practice your times tables whats the most sums you can get right? Deduct 1 for each wrong answer.</p>
