Hello,

Hope you had a good weekend. You have done a great job so far and the time for the park to open is approaching fast.

Next you need to plan the opening day which is of course Monday 12th July 2021. I want you to plan for a successful day and suggest you include the following:

Poster design 1 -You will do this and it must contain all the information needed.

- You have a budget of £6,000 for free refreshments. How will you spend it? (See pricelists). We have staff able to cook and serve.
- You need to choose someone famous to open the park. (If you need to pay the celebrity this money will need to come from your refreshments budget)
- Write a short letter to Treeford Primary School. Invite them to take part in a poster competition. You have a budget of £1,000 for prizes.

P.S. I am on holiday in Portugal for the next 2 weeks so good luck and I will see all your good work when I return.

All the very best

Edna
