Junior Miner experience

Sign up for your first shift as a Junior Miner at the Lady Vic! Do you think you have what it takes?

You'll be dressed as a miner and, under the watchful eye of the pit boss, you will undergo training and complete a fun-filled, dirty shift at the coalface.

Warning: The Pit Boss' challenges are not for the faint hearted!

The sessions will fun every Friday of the summer holidays, starting on Friday 5th, July.

Spaces must be booked online at www.nationalminingmuseum.cloudvenue.co.uk/juniorminerexperience
