

# Mount Esk Nursery School Newsletter

February 2018

January certainly provided the winter weather we had been waiting for. We have had fun in the snow, and learning about ice.

Our Burns celebration was a great success and well attended. Thank you to those who were able to come along. We especially enjoyed doing the Shooglie Wooglie!

We have launched our new Mount Esk App which you can download from the Apple App store, or the Google store, depending on your phone. Use the QR code to the left for a quick link. The app will allow you to stay up to date as to what is happening in the Nursery. There is a calendar section, a news section including links to our twitter feed and a message section. All messages will be sent out through the app. You will be able to filter messages so you can see as much, or as little as you need to. Our newsletters will be made available on our website, and on the app. A few paper copies will be available at the main entrance.

We have two parking bays outside the Nursery. These are clearly marked as disabled parking bays. You can only use these bays if you hold, and are displaying a blue badge in your car. There have now been a couple of occasions where people holding these badges have been unable to park because of people occupying these spaces who do not have a blue badge.

We are having a **Spring Sing** on **Thursday 29<sup>th</sup> of March**, just before our holidays. This a **CHANGE** to the date originally proposed last month. We will be celebrating new life through song and rhyme with the Primary 1s at Hawthornden. Our celebration will take place in the afternoon. We will be taking all our full time children and PM children up to Hawthornden Primary School to join with the P1s. Our AM children are invited to sing with us, but will need to be brought to the school by their parents and collected after the performance.

We break up for the holidays on Thursday the 29<sup>th</sup> of March. The Nursery will be **closed** on Friday the 30<sup>th</sup> March. We reopen on Tuesday the 17<sup>th</sup> of April 2018.

Please feel free to take home your child's Learning Profile/Learning Journal at any time to add to. We love to hear about star moments, family time, special trips and personal achievements. If you have pictures that you would like us to print out to put into your child's journal, we'd be happy to do this - just send them to the school mail box with any comments. Your key-worker is also happy for you to email them directly with pictures and comments. Their email addresses have been sent out in children's trays.
