Dear Parent/Carer,

Cancellation of P7 Camp, May 2020

As a result of the continued necessary restrictions related to the Covid-19 pandemic, the planned P7 residential to PGL Dalguise has been cancelled.

While this decision is an expected outcome of the current situation, we still understand that it will be extremely disappointing for our learners who have planned and looked forward to camp for many months.

The school is working with the support of Midlothian Council in order to ensure all money paid is refunded to families. As this may take some time, we ask families for their patience. We do understand how stressful this must be, under the present circumstances, but please be assured that your payments will be returned once money is refunded to the school.

We would like to stress again how disappointed we all are that school camp will not take place, but we are busy planning possible end of year activities for our P7s. We are also in discussion with Newbattle High School staff regarding plans for transition. We will be in contact with you in due course once details are finalised.

Learners should continue to access Glow and Google Classrooms for activities provided by their teachers. Please contact the school at newtongrange_ps@midlothian.gov.uk for a reminder of learner's Glow username or to request a password reset.

In the meantime take care and keep safe.

Kind regards,

Steven McBride
Depute Head Teacher
