Dear Parent/Carer,

**Newbattle High School: Parent/Carer Transition Information Slide**

<https://www.newbattle.org.uk/primary-transition/>

Our information slide for parents/carers of P7 pupils is now live on our school website. We have tried to gather key information together in one place and it sits alongside our Pupil Transition Slide and the Virtual Tour. Much of this information will be sent out in letter from over the summer holidays – but we have added videos to the slide to give further information and explanation of the processes that go on behind the scenes and the timeframe for the remainder of the summer term.

The introduction from myself would be a good place to start and we have also included a contact form for any questions you have that are not covered on the slide.

As we remain under the current restrictions and are at present unable to have the full P7 visit, we would encourage the P7 pupils to engage with the activities in their Google Classroom/Website slide. These are designed to cover areas they have asked about and support their transition during what we recognise is a challenging time.

We look forward to the time when we can welcome you into the school and please do not hesitate to get in touch if you have any questions,

Yours sincerely

Mhairi Hume  
Depute Head teacher
