

ASN Parent/ Carer Support Group

Do you have a child with additional needs?

Would you like to chat with more parents/ carers like you?

Would you like to discuss issues affecting you and your family?

We would like to set up a parent/ carer group to do just that. Although we can't meet up in person at the moment, we have set up a closed Facebook page as a safe space to chat with other parents and carers who have children with Additional Support Needs (ASN).

To join search Facebook for **Paradykes ASN Private Group**

The aim of the group is to create a positive, supportive and confidential forum to share information, ask each other's advice, arrange get-togethers and work in partnership with the school to ensure we are getting it right for every child.

All conversations in the group will be treated as confidential and, although the group is being set up in partnership with the school, the private Facebook group will be run by parents and carers of ASN children to support each other with only parents and carers being allowed to join the group.

If you do not have Facebook e-mail paradykesasngroup@gmail.com for more details on how you can still be involved.

If you do not have a child with an ASN and want to know more about a range of Additional Support Needs please like our open Facebook page **Paradykes ASN Group.**
