In Attendance

Louise Broadfoot
Leza McDonald
Tracey Shearer
Ann Curran

- : Discussed fundraising throughout the year to cover the whole cost of the summer trip.
- : We are going to do an Autumn Scavenger Hunt, the children will be given a bag with pictures of the objects to find and a sponsor sheet. We will give this out for the October break and families can take part in the fun at their leisure.
- : We also discussed having a Xmas hamper and asking if each family could bring one item for it. Then we would raffle it. Leza has very kindly offered to make a crochet scarf with " A Hug From Me To You" this would also be raffled.
- : Louise suggested a sponsored Scoot, Walk or Bike ride to Roslin and back for February time.
- : Tracey suggested that the children organise a quiz for the parents. The

children would make up the questions and then adults pay £1 for a quiz Sheet. This gives the children some ownership of the activity.

: We are open to any other suggestions, other ideas were bake sale or find all the play parks in Loanhead. There are some small ones hiding in the area.

: Ann then explained that nursery will be moving forward with online Learning Journals, this is to reduce carbon footprint and also use of paper and printing. This is happening authority wide. Ann will be getting training on this and once team are all good to go then parents will receive log in. We do expect some teething problems but hopefully we will be up and running soon.

: We are hoping to have Zoom meeting next month for the forum to help accommodate with work patterns and Ann will also try and put information on the Whatsapp page.

: Also looking for help for someone to maybe do a Parent Forum Flyer or Small newsletter that we can put out to all parents after some of our Meetings.

: Ann will make up a list of different topics that we can discuss at future meetings.

: Ann thanked everyone for all their support and is hoping we can have coffee and cake at our meeting soon.

Date for next meeting to be confirmed.
